

Qualität ist kein Zufall, sondern das Ergebnis funktionierender Geschäftsprozesse™

KORN CONSULT GROUP is a well-known management consulting company and supports projects for customers in the automotive industry as well as mechanical and plant engineering. The aim of our activities is sustainable and high-quality management consulting. Our focus is on the implementation of Technologies & Operational Excellence, Supply Chain Management, Interim Management and Engineering Services. We define and live quality as well as project results according to the following philosophy:

Quality is not accidental; it is the result of effective business processes. BY KORN CONSULT GROUP ©

**BEST OF
CONSULTING**

**TOP
CONSULTANT**

We are looking for the reinforcement of our team through the European-wide employment of a

Senior Consultant (m/w/d) Quality

Your new field of activity includes:

- Planning, implementation as well as management of projects and project modules on site at our customer's premises
- Carrying out vulnerability analyses with corresponding development of implementation concepts as well as the implementation of the projects
- Support for suppliers on quality-related topics
- Acquisition of projects in supplier development and supplier management as well as ensuring the supply chains

You will bring the following qualifications to the job:

- At least 10 years of professional experience in the industry - preferably in the automotive and supplier industry
- At least 6 years of experience in a management position
- Experience with the application of common automotive quality-, logistics-, and project management tools such as LPA, Poka Yoke, 8D method, Six Sigma, QVP/APQP, FMEA, PPAP, etc.
- Business fluent in written and spoken German and English
- Very good knowledge of MS Office products
- Successfully completed VDA 6.3 or IATF 16949 training is an advantage

Your personality profile fits us if you:

- Are persuasive and assertive and have high communication skills
- Are willing to take on responsibility and have a strong hands-on mentality
- Bring a high level of willingness to travel to our client's locations

We offer you:

- Interesting and varied project assignments
- Continuous education through regular and in-house trainings
- A motivated team and flat hierarchies with short decision-making processes
- Performance-related remuneration and attractive benefits

Have we aroused your interest?

Then we look forward to receiving your application documents, stating your salary expectations and the earliest possible starting date - preferably by e-mail at:
