We are looking for the reinforcement of our team for the European-wide employment of a

## Senior Project Manager (m/f/d) Supplier Management

### Your new field of activity includes:

- Responsibility for customer projects and coordination of implementation in consulting teams
- Execution of weak point analyses with corresponding development of implementation concepts
- Control and monitor project activities to achieve quality, cost, and schedule goals
- Ensure smooth exchange of information between team members, clients and other stakeholders
- Support in acquisitions and the development of an own network as well as in the field of marketing

### You will bring the following qualifications to the job:

- Extensive professional experience - preferably in the industrial/automotive industry or as a consultant
- Experience with the application of common automotive quality, logistics, and project management tools such as LPA, Poka Yoke, 8D method, Six Sigma, QVP/APQP, FMEA, PPAP, etc.
- Very good knowledge of MS Office products

### Your personality profile fits us if you:

- Are persuasive and assertive and have high communication skills
- Are willing to take on responsibility and have a strong hands-on mentality
- Bring a high level of willingness to travel to our client's locations

### We offer you:

- Interesting and varied project assignments
- Advancement opportunities to Senior Manager or Principal Partner as well as continuous professional development through regular and in-house training courses
- A motivated team and flat hierarchies with short decision-making processes
- Performance-related remuneration and attractive benefits

### Have we aroused your interest?

Then we look forward to receiving your application documents, stating your salary expectations and the earliest possible starting date - preferably by e-mail with the subject line "Senior Project Manager Supplier Management" at: [career@korn-consult.com](mailto:career@korn-consult.com)

The KORN CONSULT GROUP looks forward to getting to know you
